Camellia Show Has Elaborate Displays

**MISS JANET BRELAND
BECOMES MRS. VICTOR ALME**
SATURDAY AFTERNOON

Our Lady of the Gulf Church was the scene Saturday afternoon at 2:00 o'clock of one of the charming mid-winter weddings when Miss Adeliah Janet Breland, daughter of Mr. and Mrs. K. T. Breland of Waveland, became the bride of Mr. Edmond Victor Alme, son of Mr. and Mrs. E. A. Alme of Bay St. Louis.

Tall baskets holding white gladioli and fern adorned the altar before which the double ring ceremony took place, with Rev. Msgr. Michael McCarthy officiating. Nuptial music played on the organ by Prof. Joseph Heimerbach with vocalist Mrs. Thea Thomas singing "Perfect Love" and the "Ave Maria," preceded the ceremony.

The bride was radiant as she entered the church on the arm of her father who gave her in marriage. Her exquisite gown was fashioned of chantilly lace and silk illusion. The neckline was rounded into a shallow scoop with the bodice fitted, and the long sleeves ending in cathedral points over the hands. It was made entirely of lace outlined at the neckline with seed pearls. The waltz length skirt was bouffant with deep points of lace inserted from the waistline facing the hemline and from the hemline facing up toward the waist. She carried a bouquet of white carnations centered with a single large white orchid. Completing the beautiful ensemble a fitted headpiece of lace and satin was heavily encrusted with seed pearls with the fingertip length silk illusion veil attached.

The bride selected as her attendants Miss Shirley Ann Bufkin, maid of honor and Miss Leona Tyner, Baxterville, and Miss Jeannette Murray, Bassfield as bridesmaids. Mary Jo Jacobi, little niece of the bridegroom served as flower girl. Attendants wore identical gowns of salmon colored tulle over taffeta and carried bouquets of gladioli made from salmon toned gladioli. Their headresses matched the gowns. All were waltz length, fashioned with fitted waists and antebellum skirts.

Mr. Alme served as best man for his son and groomsmen were Ja Wee Palmisano and Andrew Scafidi, a brother-in-law of the bridegroom.

Immediately following the service a reception was held at the Knights of Columbus Hall, where the bride party was assisted in receiving by the parents of the bride and bridegroom.

The bride's table was laid with a linen cut work cloth and centered with a three-tier wedding cake topped with miniature bride and groom. The cake was circled with lacy fern. A bower of lilies of the Valley canopied the bride and groom figurines, and two white swans held the fragile blooms on the cake. White lighted tapers in crystal candelabra flanked the cake. An aunt of the bridegroom, Mrs. Lawrence Jacobi cut the cake.

Assisting Mrs. Jacobi in serving were Mrs. J. P. Rousseau, Mrs. P. Hayes, Mrs. Louis Moreau and Mrs. Ethel Garcia. Tea girls were Misses Delta and Margo Jacobi, nieces of the bridegroom.

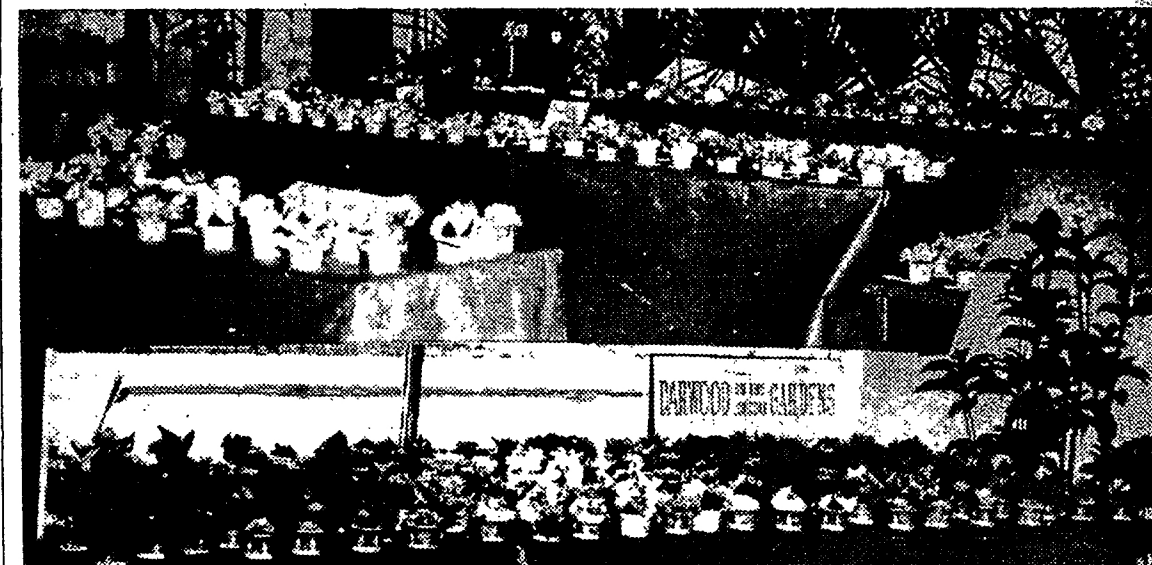

The young couple are both graduates of Bay St. Louis schools, the bride finished at Bay High and the bridegroom at St. Stanislaus. Both are graduates of Pearl River Junior College. They will make their home at 112 Court St., Bay St. Louis.

There is a line map where by crossing you can lose a day; there is one on the highway where you can lose much more.

The prediction for business in 1957 is bright, according to those who are supposed to know.

Top part of the photo shows winning specimen, entered by Rev. Christian Baker and runnersup in single specimen. Bottom shows some of the winning arrangements.

This photo shows part of the elaborate displays entered in the show. The blooms were among the best yet shown.

Construction Starts On New Metals Processing Building at P. R. Jr. C.

Poplarville, Miss., January 24—

With the final approval in on the construction of a new metals processing building at Pearl River Junior College, construction work is scheduled to begin at once on this forty feet by eighty feet concrete block structure, according to President Garvin H. Johnston. The proposed laboratory will be one of the most modern equipped of its kind in the state with such machines as metal turning lathes, shapers, milling machines, metal cutting band saws, bench grinders, shears, barfolds, and brakes.

This highly technical laboratory will serve as the working area for the newly installed mechanical technology course which will commence this coming September. One of the purposes of the laboratory is to give the student a working knowledge of these materials used in industry. Through research conducted by Pearl River College with some of the leading industries and industrialists over Mississippi, Alabama, Florida and Louisiana, it was found that a large demand exists for technicians in this ever-growing field.

Professor Phillip Hunt, who will direct the mechanical technology department, states that students who wish further information on this course should contact Dean A. B. Nicholson of Pearl River Junior College.

SJA BABY JAYS WIN AGAIN THIS WEEK

Mrs. Elaine Colson and her fighting team of Baby Jays won another game this Monday when they defeated Mississippi Public School with a score of 33 to 13.

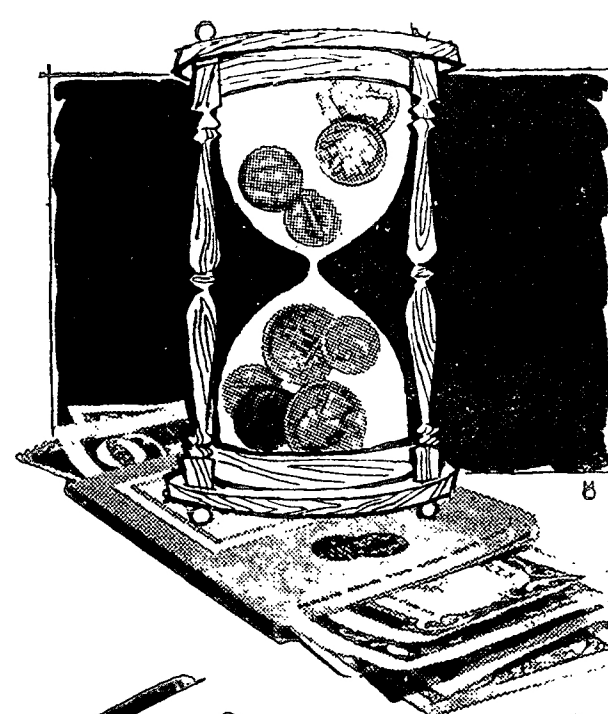

The game was played Monday night in Mississippi City. Last week the Baby Jays really came up the ladder with leaps when they tied the champion DeLisle eagles, with the whistle sounding on a 30-30 tie. This was the second time the DeLisle and Convent babies have met. The first game was the only defeat the Baby Jays suffered this season, and the score was one sided in favor of the crack players from DeLisle. The second game was played last Thursday afternoon at the Convent gym, with the Baby

Jays showing fine improvement and holding the fast moving, deceptive playing DeLisle girls from making any margin of score. The Baby Jays will be in the Logtown Tournament.

ANITA EKBERG STARS IN JUNGLE ADVENTURE MOVIE

"Back From Eternity," promises to be one of the season's most thrilling motion pictures. Featuring a fine group of Hollywood names, it was made for RKO by Producer-Director John Farrow. It comes to the A&G Theatre Sunday and Monday.

Starring Robert Ryan, Anita Ekborg and Rod Steiger, this new adventure drama deals with a sudden and unexpected doomsday in the lives of eleven plane crash survivors marooned in the Jivaro headhunter region of South America's jungle wilderness.

Ryan, well-known romantic strongman of many motion-picture situations, portrays the air-plane pilot who turns out to be less of a fatalist than he pretends. Blonde, famous Miss Ekborg will be seen as the typical problem child of the world's immigration offices, a girl without a country.

Hollywood's newest headliner, Rod Steiger, has the role of a condemned revolutionary assassin being returned to his South American homeland for execution.

Other "passengers" in the cast, away eleven are portrayed by co-stars Phyllis Kirk, Keith Andes and Gene Barry.

Among the film's distinguished supporting players are Fred Clark, Beulah Bondi, Cameron Prud'homme, Jesse White, Adele Mara and young Jon Provost.

Screen play for "Back From Eternity" was written by Jonathan Latimer from the story by Richard, Carroll. Dramatic action, compressed into a brief time period, is said to parallel in some respects "the recent massacre of American missionaries by Amazon jungle savages."

GUESTS FOR CAMELLIA SHOW

Coming to Bay St. Louis for the Bay-Waveland Garden Club Camellia Show last week, were Colonel and Mrs. Frank Worthington of New Orleans, La. They were guests of Mr. and Mrs. Al Voght. Col. Worthington is president of the Men's Camellia Society in New Orleans and a member of the American Camellia Society.

Another couple to visit the Voights to view the Camellia show were Mr. and Mrs. Leonard Mortins, also of New Orleans. Wives of the judges, Mrs. Joseph Miller, Mrs. Lloyd Huerkamp and Mrs. Ernest Judice were also guests of the Voights. The judges with their wives, members of the Camellia show committee and some officers of the club were entertained at luncheon at the hotel by Mr. and Mrs. Voight.

The Iowa State College driving research laboratory states that a driver loses 40 per cent of steering wheel control when he releases one hand from the wheel.

Greenwood, Miss. — CBS-TV network will carry a half-hour dramatization of the American Legion's "Back to God" program on Sunday, February 3, 1957, 1:00 to 1:30 CST.

Announcement of the telecast was made by Capt. Frank Osborne of Greenwood State Chaplain of the American Legion. Plans for the production call for a dramatization of the heroic death of four U. S. Army chaplains in the World War II sinking of the troopship Dorchester. It is expected that the telecast will be produced under the title "For God and Country."

"It is especially appropriate that this year's telecast should have as its theme the four chaplains of the Dorchester since Sunday, February 3, will be the 14th anniversary of its sinking," Chaplain Osborne said. When the ship was torpedoed off Greenland on February 3, 1943, a Jewish rabbi, Roman Catholic priest and two Protestant ministers gave up their life belts to four American soldiers and stood calmly together in prayer as the transport sank."

In 1951 the 3rd National Convention of The American Legion in Miami, Florida, unanimously resolved "that either the Sunday preceding or following the date of February 3rd, in recognition of the historic, tragic and inspiring event occurring on that date in 1943, be observed each year throughout the nation and in all freedom-loving countries as "Go to Church Sunday," in worship and prayer for peace."

Chaplain Osborne has urged Post Commanders to contact CBS-TV outlets everywhere urging them to carry the telecast. He has also asked members of The American Legion and Auxiliary to make sure they see the production and write or call their approval to the TV station.

Mrs. Lucille Weeks and Miss Frances Noesges returned recently from Amarilla, Texas, where they had been visiting since the Christmas holidays, with Mrs. Weeks' daughter and family, Mr. and Mrs. R. F. O'Keefe. Miss Noesges has left for Key West, and Miami, Florida, for a brief visit and plans to return to Bay St. Louis this weekend.

Mrs. Rosa Sigerson and Mrs. Margaret Kern attended the R. O. T. C. ball at Mississippi Southern as the guest of Joe Kern. While there they stayed at the home of Mr. and Mrs. Floyd Ames.

Instrument panel lights should be kept dim on a long trip states the National Safety Council. Bright panel lights in cars may have a hypnotic effect on the driver.

Cope has accepted membership chairman of Hancock County "Heart" Association, which announced Saturday afternoon, Campaign for the Hancock County Mississippi Heart Association, which will be held February 1st through February 28th.

Expressed a desire to continue his noble cause, he expressed our donations our efforts to continue into the cause and of America's No. 1 Disease which at the home in Clermont past 15 years, Mrs. Cope has a permanent residence disposing of her holdings in New Orleans.

In 1935 Mrs. Cope operated an Antique Decorating business and was one of the decorators in New Orleans invited to join the Antique Society of Interior.

of the Audubon Golf and Arts and Crafts Club. She was a member of the Hancock County Home Council, the Blue Club which she joined after the hurricane and has served on the board.
